WINTER LANDSCAPE QUILT WORKSHOP

Supplies:

- ✓ Optional photo or picture to inspire you.

- ✓ Sewing machine

- ✓ Basic sewing supplies

- ✓ Rotary equipment: Cutter with new blade and mat if none available.

- ✓ Ruler for straight edges

- ✓ Fabric scissors

- ✓ Thread:

    1. Topstitching: Matching, metallic, variegated, embroidery

    2. Thread for piecing borders

- ✓ For those who work fast and think they will be able to quilt in class:

    1. Batting
    2. Pins

- ✓ Optional
    1. Accessory buttons (ex. Small animals, houses, vehicle, sleds, skis, skates, snowman etc), yarn or anything you might want to use. Accessorize at will.
    2. Glue if using accessories..
    3. Masking tape

Fabric:

- ✓ Borders:

    1. Outer ¼- ½ yd

    2. Optional inner border: At least ⅛ yd

    3. Sky: ¼- ½ yd. The width will depend on how wide you want your scene to be. Cut it at least 2" larger than you want, as it is easier to cut it down than to add to.

    4. Mountains/Hills: Only if you want mountains in the background. ¼- ½ yd of a dark, medium and light fabric. The light should contrast with the sky. Color suggestions: white for snow and green, blues, grays or browns.

- ✓ Foreground: Different shades of blue white, cream, gray

- ✓ Muslin: At least 1 ½"- 2" larger than quilt without borders

- ✓ Optional:

    1. Trees: scraps of green for trees, gray or brown for barks

    2. Accessory fabric:
        a. Fabric with mountain accessory designs (ex. raccoons, bears, cabins, trees etc)
        b. Fabric with winter scenes (snow covered houses or trees, snowmen sleds, Santa, etc)

    3. Optional rocks, lake or river: ⅛- ¼ yd

    4. Optional houses: scraps of white, gray or any contrasting colors for top of house and color for house

- ✓ Fusible web such as steam a seam 2. Used for fussy cut appliqué.

- ✓ Pellon lightweight fusible interfacing- (The kind used in clothing construction. It is very thin. Not to be confused with pellon batting) At least 1 ½"- 2" larger than quilt without borders
